Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Institut Francais du Petrole, the owner of the above-identified application by virtue of the attached assignment respectfully petitions the Commissioner for the revival of the above-identified application which was unintentionally abandoned by failure to respond to the "Notice to File Missing Parts of Non-Provisional Application" of August 14, 2001, having a due date October 14, 2001.

Attached is the required response to the "Notice to File Missing Parts of Non-Provisional Application" of August 14, 2001.

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.

Also attached are two checks for requisite fees including (1) a check for the Petition fee set forth in § 1.17(m) of \$1280.00, and (2) a check for the fee for the Missing Parts of \$960.00. (A copy of the concurrent request to the Assignment branch to record the Assignment including the Assignment and the cover sheet are also attached.)
